Tamil -basic

OBJECTIVE

Motivated first-year BSc (Hons) Biotechnology undergraduate at the Sri Lanka Institute of Information Technology (SLIIT) with a strong foundation in Biology and Chemistry. Possessing a keen interest in laboratory science, biotechnology research, and scientific innovation, I aim to apply my academic knowledge, develop practical skills, and contribute effectively while building a successful career in the biotechnology field.

VOLUNTEER EXPERIENCE

- Participated in school and community service activities, contributing to teamwork and social responsibility initiatives.
- Assisted in organizing school events and activities through active participation and coordination.
- Supported science-related activities and Science society.

EXTRACURRICULAR ACTIVITIES

- Best Player – School Netball Team (2024)
- Member of the School Athletic Team
- House Captain, Viharamahadevi house, inter-house sports meet (2023)
- Member of the School Science Society
- Participated in school-level sports and academic activities
